14. Sam Noble Oklahoma Museum of Natural History

**BIKE SAFETY TIPS**

- It's safest to approach traffic as if drivers cannot see you.
- Bicyclists are subject to all the same traffic laws as cars, unless otherwise specified, including riding in the same direction as traffic.
- After stopping at a red light and ensuring there is no oncoming traffic, bicyclists may proceed through the intersection, according to Oklahoma law.
- Within business districts, do not ride bikes on sidewalks. Use designated bike lanes where possible.
